Re: SPRING EXHIBITION APPLICATION: Saturday, May 7, 2005

Dear Skaters, Parents and Coaches:

We received strong interest from skaters wanting to participate in our spring show on ***Saturday, May 7, 2005 from 5-7 p.m.*** Acts include solos, pairs, similar pairs, small groups, dance and other programs approved by the Board. If there is interest we will try a Theatre on Ice presentation (skaters of all ages and abilities together) this year. We have also invited several guest performers to skate that evening along with a synchro team. ***Skaters will be accepted on a first come/first serve basis; the enclosed final application plus \$50 fee is due by Saturday, April 2, 2005.***

The individual fees charged do not come close to covering the cost of producing the show – ice time, choreography charges, guest skaters, decorations are all expensive. Each family needs to help with the show, signup sheets will be in the Club room. Food and drinks will be provided that afternoon for all helpers; everyone always has a good time.

We are a volunteer-run organization and the show is our ***sole fundraising activity*** for raising money to defray operating costs!! We will have a ***program*** this year with ***ads and notes of congratulations and good luck*** to the skaters from families and friends (see examples and pricing in the Club room). We will also ***charge admission, so encourage as many friends and family members as possible to attend.***

We will have group acts to be practiced several sessions before the show and again the afternoon of the show (an adult group act will be arranged separately if there is sufficient interest). Skaters must attend the practices to be in a group act. Final practice ice will run from 1-4:30 pm the afternoon of May 7th, details and specific times will be posted. A simple ***finale*** for all skaters, choreographed by Juli Creedon, will be practiced that afternoon as well. All participants are required to be in the Finale.

We are trying new acts for the show again this year, let's make it our best yet!! Please contact a Board member or me with any questions, comments or ideas.

Sincerely,
Pam Anderson
